PROFILE

Computer Engineering student at NMIMS Mumbai with hands-on experience designing and delivering full-stack web and cross-platform mobile applications. Skilled in Flutter, Spring Boot, and Angular JS, with a solid understanding of backend APIs, database design, and UI/UX principles. Pursuing an MBA Tech degree to bridge technology with business strategy, with a passion for building intuitive, scalable, and impactful digital products.

EDUCATION

Qualification	Institution	Board	Year
MBA Tech	Mukesh Patel School of Technology Management & Engineering, NMIMS	NMIMS Mumbai	2024–2028
Diploma – Computer Engg.	Pravin Patil College of Diploma Engineering & Technology	MSBTE	2021–2024
SSC (Class X)	Sardar Vallabhbhai Patel Vidyalaya	MSBSHSE	2020–2021

TECHNICAL SKILLS

Languages	Java, Dart, JavaScript, HTML, CSS, SQL
Frameworks	Flutter, Spring Boot, Angular JS, REST APIs
Databases	MySQL, Supabase (PostgreSQL)
Tools & Design	Git, GitHub, Figma, Android Studio, VS Code, Postman

PROJECTS

Doctor Appointment Booking Application	<i>Flutter • Dart • Supabase</i>	<i>2025</i>
Developed a cross-platform mobile application enabling seamless doctor-patient interaction. Implemented multi-role authentication (Doctor / Patient) with Supabase as the backend. Doctors create and manage appointment slots; patients browse availability and confirm bookings in real time. Real-time sync and row-level security enforced via Supabase policies.		
Car Rental Management System	<i>Angular JS • Spring Boot • MySQL</i>	<i>2024</i>
Built a full-stack web application for end-to-end car rental operations with role-based access control (Admin / Customer). Spring Boot REST API backend secured with JWT authentication; Angular JS SPA for the frontend. Normalized MySQL schema handles vehicle inventory, bookings, and billing management.		

ACHIEVEMENTS & CERTIFICATIONS

- **Smart India Hackathon (SIH) 2025** – Selected at College Level (Round 1). Competed among top national student innovators to develop tech-driven solutions for real-world challenges (27 September 2025).
- **UI/UX Design Certification** – 6-week programme covering UI/UX fundamentals, Figma, design systems, responsive web & app design, and a hands-on capstone project (2022).
